

## **“On The Point” Golden Beach**

Appropriately named this Mediterranean style mansion sits on a point corner lot in the quaint seaside town of Golden Beach.

An open floor plan helps to entertain with ease. Fine marble & wood floors run throughout the mansion. A warm and charming Billiard Room compliments entertaining possibilities if your desire is to be indoors.

Situated on a point lot makes the ideal entertaining space outdoors under oversized loggias beside a custom designed swimming pool while taking in the gorgeous water views. Guest will truly get the South Florida feeling as they dine in style as Mega Yachts motor past while they relax and enjoy all this lovely property has to offer.
